

Alimentiv Translational Research Consortium Symposium

IL-23 Pathway Inhibition in IBD

May 6, 2021 - 9:00 a.m. - 12:30 p.m. EDT

May 7, 2021 - 9:00 a.m. - 12:30 p.m. EDT

Register at alimentiv-events.com

May 6, 2021 (Virtual)

| | |
|--|--|
| 9:00 AM ET | Welcome & Introductions of the Alimentiv Translational Research Consortium |
| Clinical Efficacy & Safety Session Chair: Vipul Jairath, Alimentiv | |
| 9:15 AM ET | State of the art: mechanism of action of IL-23 blockade Markus Neurath, Friedrich-Alexander-Universität |
| 9:40 AM ET | Efficacy in inflammatory bowel diseases Bruce Sands, Icahn School of Medicine at Mount Sinai |
| 10:05 AM ET | Safety of IL-23 blockade Brian Feagan, Alimentiv |
| 10:30 AM ET | Panel discussion |
| 10:50 AM ET | Break (10 min) |
| Clinical Pharmacology & Translational Medicine Session Chair: Dermot McGovern, Cedars-Sinai | |
| 11:00 AM ET | Predictors for response, treatment intensification, and/or discontinuation Wouter de Jonge, Amsterdam UMC |
| 11:25 AM ET | Impact of IL-23 inhibitors on the mucosal and systemic immune system Clara Abraham, Yale School of Medicine |
| 11:50 AM ET | Microbiome dysbiosis and cytokine networks Harry Sokol, Sorbonne University |
| 12:15 PM ET | Panel discussion |
| 12:30 PM ET | Adjourn until tomorrow |

May 7, 2021 (Virtual)

| | |
|---|--|
| 9:00 AM ET | Welcome |
| Drug Design & Development Session Chair: William Faubion, Mayo Clinic | |
| 9:05 AM ET | Pharmacokinetics & pharmacodynamics of IL-23 inhibitors Joseph Adedokun, Johnson & Johnson |
| 9:30 AM ET | Local vs. systemic delivery to maximize efficacy Lili Cheng, Protagonist Therapeutics |
| 9:55 AM ET | Overview of the pipeline and strategies for efficient drug development Maria Abreu, University of Miami Miller School of Medicine |
| 10:20 AM ET | Panel discussion |
| 10:40 AM ET | Break (15 min) |
| Breakout Session Session Chair: Niels Vande Casteele, University of California San Diego | |
| 11:00 AM ET | Instructions for breakout groups |
| 11:25 AM ET | Working groups to identify areas of translational research that can guide treatment strategies and accelerate further drug development |
| 11:50 AM ET | Working group presentation & general discussion |
| 12:15 PM ET | Summary of proposed objectives |
| 12:30 PM ET | Meeting Adjourned |
